

**NEW ROMNEY TOWN COUNCIL**

**FULL COUNCIL MEETING 29<sup>TH</sup> JUNE 2022**

**CAPITAL PROJECTS REPORT – Community Hall, Sports Pavilion & Nursery Project**

Following several enquiries, it has been ascertained that the PWLB loan application is still in the assessment stage but has been prioritised to be reviewed this week (w/c 20<sup>th</sup> June 2022).

Site hoarding has now been erected around the residential development site to the rear of Station Road Sports Field and the Developer has assisted the football club in removing goal sockets from the area that falls within the development site.

It has been confirmed that the revised briefing document, a roles and responsibilities matrix, and accompanying letter seeking fixed fees to RIBA 3 has been issued to the design team. Returns are expected to be received by Synergy by 24 June 2022. Thereafter, the Project Steering Group will review the returns before presenting them to Full Council for approval so that the re-design process can move forward expediently.

Engagement with the New Romney Sports Clubs and Baby Seashells Nursery is on-going to ensure that the project re-design meets the needs of these key stakeholders.

Town Clerk
