The Chairman of the Community Hall / Sports Pavilion Steering Group, Councillor Mrs Rolfe, reported that there was now a clear timeline towards calling a Town Council meeting at which approvals would be sought to take this major project to the next stage and confirmed that it was expected that this would be early in the new year.

The Town Clerk added that the development of a business plan – to be put to Council for approval on completion – was well underway and that she and the Deputy Town Clerk had met with two representatives of New Romney Football Club regarding the preparation of a Football Development Plan which would feed into the Business Development Plan, advising that the Club would now be working on this with a view to completion prior to the aforementioned Town Council meeting.
