FULL COUNCIL MEETING 9TH OCTOBER 2017
TOWN CLERK'S REPORT – CAPITAL PROJECTS**

MINUTES EXTRACT - VERBAL REPORT

332/2017-18 **CAPITAL PROJECTS REPORT**

The Chairman of the Project Steering Group reported that the Town Council's appointed architect had met with representatives from both the Town football club and the Baby Seashells nursery school on site in order that the most direct stakeholder groups in respect of the proposed Community Hall and Sports Pavilion could have the opportunity to raise any points regarding the project and provide any feedback in regard to general progress. All comments received were duly noted and it was of note that both organisations were very pleased with developments to date and keen to support the project. It was reported that it was envisaged that the Project Steering Group would meet again in approximately three to four weeks' time after which matters would be brought back to Full Council before moving into the Planning and Funding Stages.
