

**NEW ROMNEY TOWN COUNCIL
FULL COUNCIL MEETING 10th FEBRUARY 2021
CAPITAL PROJECTS REPORT – Proposed Community Hall and Sports Pavilion**

Section 106 and Legal matters

Here is an update on progress made in relation to the development of the new Community Hall and Sports Pavilion ('the CHSP').

Negotiations with the developer continue and Cllr Thomas, the Town Clerk and I met with him in January to discuss a range of issues including but not limited to – Section 106 contributions and the application of national planning legislation, access to the site, existing site easements and a timetable for going forward. We are awaiting further feedback from the developer before taking the next steps.

As previously advised, our application for funding from the Roger De Haan Charitable Trust has been submitted and was considered at its November meeting. I am presenting to the Board of Trustees to answer questions and provide further detail about this project later this month.

I am in the middle of drafting our application to the Collyer Fergusson Trust and will be working with the Town Clerk over the next couple of weeks to finalise the details. Hopefully, a submission will be made this month for consideration by the Trustees at a future meeting.
