NEW ROMNEY TOWN COUNCIL **Co-Option Policy**

Vision Statement

New Romney Town Council has an open and transparent approach to encouraging Members of the Community to apply to become Councillors.

The Council aims to encourage applications from individuals with a diverse range of relevant knowledge, skills and experience.

Casual Vacancies

In the event of a Casual Vacancy occurring, public notice must be given by the Town Council (Section 87(2) of the Local Government Act 1972). The notice must be displayed in a conspicuous place within the Parish.

An election to fill the vacancy must be held if ten electors of the relevant Parish Ward write to the Monitoring Officer at Folkestone & Hythe District Council requesting that an election be held. The notice must be displayed for fourteen days (excluding weekends and Bank Holidays). If no request for an election is made, then the Town Council must fill the vacancy by co-option as soon as is practicable after the expiry of the fourteen day period referred to above.

If an election is requested, the vacancy must be filled by election and the Town Council cannot fill it by co-option, even if there are insufficient candidates. Where the casual vacancy occurs within six months before the day on which the Councillor whose office has become vacant would have retired, an election to fill the vacancy shall not be held.

There are no rules regarding the co-option of Members. The Town Council may choose who it wishes but the person must be qualified to have been a candidate and must not be disqualified as per the criteria set out in Section 80 of the Local Government Act 1972.

Qualification for Co-option

A candidate for Town Councillor is qualified if, when nominated:

- he / she is a British Subject or Citizen of the European Community
- is 18 years of age and
- is either in the list of electors for the parish of New Romney or has, during the whole of the preceding 12 months
 - (i) occupied land as owner or tenant within the parish,
 - (ii) had a principal place of work within the parish or
 - (iii) resided in or within 3 miles of the parish.

Disqualification

Recommended by Personnel Panel: 05 November 2013

Approved at Full Council: 11th November 2013

Last Reviewed: 12th April 2023

A candidate is disqualified from becoming a Town Councillor if he / she:

- holds a paid office under the local authority
- is bankrupt
- has been sentenced to a term of imprisonment (whether suspended or not) of not less than three months without the option of a fine, during the five years preceding election
- is disqualified under any enactment relating to corrupt or illegal practices.

Co-Option Process

Following the expiry of the 14 day period referred to above, a second notice is displayed, stating that a casual vacancy is required to be filled by co-option and inviting applications. Upon receipt of a completed application form, the candidate shall first be invited to meet informally with the Town Clerk / Proper Officer and then to provide details in writing as to why he / she would like to be co-opted onto the Council, highlighting any relevant qualifications and / or experience based on the Town Council's approved Councillor Person Specification. The afore-mentioned information is then circulated to all Members for consideration and the candidate is invited to attend a meeting of the Town Council to speak briefly in support of his / her application and to participate in a brief question / answer session, again based on the Town Council's approved Councillor Person Specification. Councillors' questions, which will have been submitted in writing to the Clerk prior to the meeting, will be raised via the Chairman. Relevant supplementary questions may be considered at the discretion of the Chairman. This forms a fair and transparent process for assessing the suitability of any proposed candidate who wishes to be co-opted onto the Town Council.

A date of not less than one calendar month following receipt of the afore-mentioned application form(s) and supporting letter(s) shall be set for consideration of applications by the Town Council. Candidates shall be invited to attend and observe a selection of Council meetings in the interim and be provided with a schedule of meeting dates for this purpose.

Voting for the new Councillor then takes place and is by a show of hands unless the Council has adopted Standing Orders which allow any other form of voting for this purpose. If there is only one vacancy, a Councillor may only propose or second one candidate. The names of those properly proposed shall be put into alphabetical order and a vote then taken. Councillors have only one vote each. The first candidate to reach an absolute majority of those present and voting is declared to have been elected. Should no candidate receive a majority on the first vote, the person with the lowest number of votes is eliminated; voting takes place on the remainder – one vote per Councillor. This continues until one person receives an absolute majority. If only one candidate is standing for co-option, a simple 'For' or 'Against' vote will take place, subject to the candidate having first been proposed and seconded by Members of the Council. Once a candidate is declared to have been co-opted onto the Town Council, he / she is requested to sign a Declaration of Acceptance of Office.
