

Mulberry Place (Phase 3) New Romney Designated Traffic Route for all Construction Traffic

ALL construction traffic, including HGV Vehicles, personal cars and vans must use the designated route

Delivery companies must contact the site at least 24 hours in advance to book a delivery slot. Prior to arrival at site, drivers must park up at a suitable location and call site, to check that site is able to accept the delivery. Vehicles must not wait or circulate on the public highway. On arrival at site delivery drivers must report to site personnel for unloading instructions.

*This route is not normally considered suitable for HGV Vehicles but is the only viable route to site.
Please ask your drivers to respect this and to slow down especially in residential areas. Thank you*

DIRECTIONS

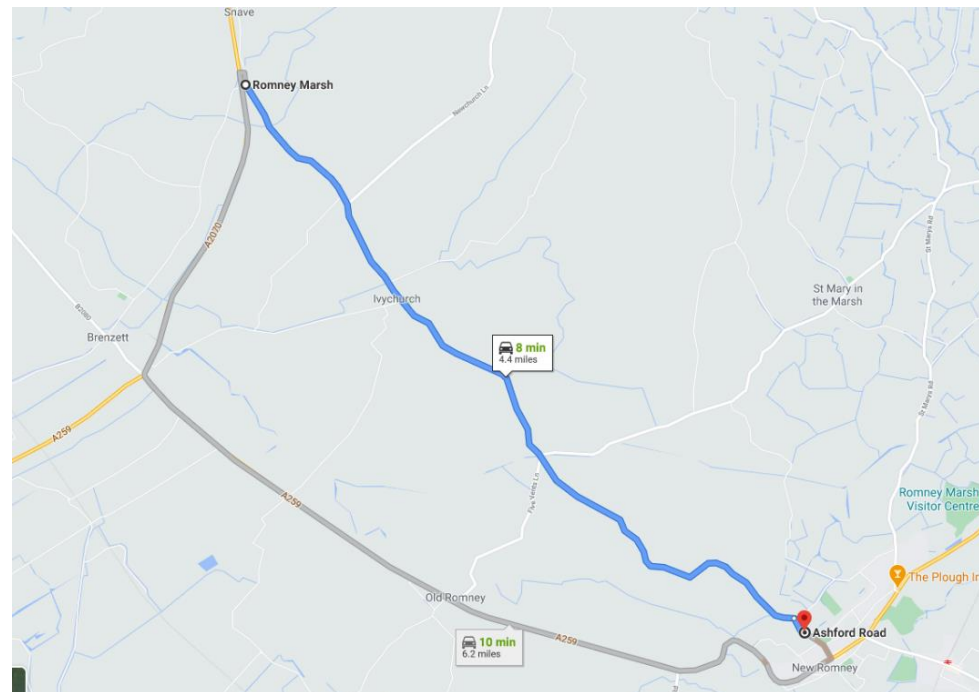

**From Ashford to New Romney via A2070
8 min (4.4 miles)**

- Head south towards Moor Ln 4.3 mi
- Continue onto Ashford Rd 0.1 mi

Light goods vehicles, vans and cars approaching from Folkestone / Hythe / Dymchurch via A259 may access the site via New Romney High Street and Ashford Road, but this route is not suitable for Heavy Goods Vehicles
